

We bring you to experience a luxury and tranquil stay in the natural setting of Balinese countryside. Nestled among the stretch of green rice paddies and the iconic Echo beach, Sense Canggu Beach Hotel brings the concept of luxury beach resort comprising 26 Suites featuring a lush garden and a lavish lagoon pool with the total area of 350sqm.

Built with modern and stylish architectural elements, this resort is designed to create an unparalleled stay in the natural setting where you can breathe fresh air in the morning and behold the soothing view of rice field, river, and beach away from busy touristic places. Take a refreshing dip into our blue-lagoon pools from our Lagoon Access Suite or witness the mesmerizing view of Indian Ocean from our Ocean View Suite.
